Point-to-Point Wireless Solutions

TIMMINS, ON – November 2005 – Considering how to connect remote locations to your computer network and high speed Internet? A point-to-point wireless connection could provide you with greater flexibility in achieving your IT goals. If you'd like to learn more about this topic, then plan to attend NEOnet's Tech Break Time technology luncheon on Tuesday, November 22nd. **WAN Group Inc.'s Marcel Castonguay will be discussing point-to-point wireless solutions and there applications for businesses in our region.**

Admission is free, and lunch is available at the participants' expense. The event will run from 12:00 p.m. until 1:00 p.m. at the Days Inn – Gallery 2 Dining Room.

For more information on *Tech Break Time* or to register for this month's event, contact Chris McLaughlin at 705.360.1353 ext 1 or cmclaughlin@neonet.on.ca.

Note: NEOnet is a regional non-profit technology development organization working to improve telecommunications services and ICT adoption in Northeastern Ontario.
