Internet Safety: Protecting You and Your Children Online

Temiskaming Shores, ON – September 19, 2006 – The session will provide a greater understanding of the risks associated with the Internet, and how you can limit the negative effects that predators and malicious software can have on you and your family. Particular attention will be paid to identity theft, fraud, viruses, spyware, and sexual exploitation amongst others. **Parolink's Patrick Miron and Patrick Paquette will be discussing Internet safety concerns and protective measures.**

Admission is free. The event will run from 7:00 p.m. until 8:00 p.m. at FranChefco's (at the Quality Inn).
