Telecommunications Infrastructure in the City

Timmins, ON – October 11, 2007 – David Laneville of the City of Timmins will be discussing the City's existing telecommunications infrastructure and how it has helped in the delivery of services to local citizens. Particular attention will be paid to the new Police Services building. This presentation will be of interest to everyone, especially those interested in how the City is putting the local telecommunications infrastructure to good use and how that infrastructure makes the City more attractive to potential businesses. To learn more plan on attending NEOnet's Tech Break Time luncheon on Thursday October 11, 2007.

Admission is free, and lunch is available at the participants' expense. The event will run from 12:00 p.m. until 1:00 p.m. at Siva's Family Restaurant (Timmins Square).

For more information on *Tech Break Time* or to register for this month's event, contact Chris McLaughlin at 705.360.1353 ext 1 or cmclaughlin@neonet.on.ca.

Note: NEOnet is a regional non-profit technology development organization working to improve telecommunications services and ICT adoption in Northeastern Ontario.
